How is Gotham Mini Storage different from other self storage facilities?

We offer climate-controlled mini storage units and the lowest prices—and best specials—in New York City. Our environmentally friendly building features a 24/7 state-of-the-art security system, free Wi-Fi, and the best customer service this side of the Atlantic.

What's the minimum amount of time I can lease a unit?

Our month-to-month leases won't tie you down with contracts and yearly commitments. Whether you need a unit for one month or for years, how long you lease with us is totally up to you.

When can I access my mini storage unit?

We're open seven days a week so you can access your belongings on your schedule. Select businesses can enjoy 24/7 access. Find out if you can too.

How much notice do I need to give when I move out?

We hate to see our customers go—but when they do, we require 10 days' notice. Full details can be found in the vacating policy paperwork that's provided at move-in.

Do you offer a mover?

Yes, and (unlike your friends) you don't have to buy them pizza and beer. Got the manpower, but still need a truck? No problem, you can borrow our [free move-in truck!](#)

How can I pay my bill?

We make payments as easy as possible. You can pay on-site, set up recurring payments with a debit or credit card, or enroll in auto-pay through [your account](#).

What storage unit sizes do you have?

From mini lockers to units large enough to fit a three-bedroom house, and everything in-between, we offer unit size options for every need.

"Amazing service! I learned about Gotham Mini Storage on the Web and am glad that I chose them. I am impressed by the clean and secure environment of the storage facility. The Storage Manager, Kalea, was nice and helpful. Not only did I get one month free storage, but also got to use a free moving truck. Moving and storage was indeed super easy!"
