BIOGRAPHY

ABOUT DR. STEPHEN

Mark Stephen, M.D., is a board-certified, fellowship-trained spine specialist who has extensive training in a variety of spine and orthopedic areas, including the preservation of spine motion, cervical artificial disc replacement, and treatment of pediatric and adult spinal deformities. He also taught a course on minimally invasive spine procedures. Before joining Orlin & Cohen, Dr. Stephen was an assistant professor in the department of orthopedics and director of the Spine and Scoliosis Center at the State University of New York at Stony Brook in Stony Brook, NY.
