BIOGRAPHY

ABOUT DR. WU

Fellowship-trained hand and upper extremities specialist Tiffany Wu, M.D., has extensively researched a variety of orthopedic topics, including hand trauma and early complications and risk factors of minimally invasive elbow surgery.

Dr. Wu joined Orlin & Cohen after completing her fellowship training in hand surgery at INTEGRIS Baptist Medical Center in Oklahoma City, OK.

Active in her community and mentor to aspiring physicians, she previously led surgical skills workshops for the Perry Initiative in Oklahoma City, OK, and volunteered at the Organization of Chinese Americans Free Clinic in Pittsburgh, PA.
