

Ways To Give

From individual donations and gift planning to Amazon Smile and volunteering, there are a variety of ways you can give to St. Mary's Healthcare System for Children.

Your gift is their future! St. Mary's Healthcare System for Children simply couldn't exist without the support of our generous donors.

With so many of our vital programs underfunded or completely dependent on philanthropic support, we are so fortunate to be surrounded by the good will and generosity of friends – from school children to corporations – who want to make a difference.

Whether it's a one-time donation or annual contribution, a tribute in memory of a loved one, a corporate grant, or the time you spend volunteering, it's your big heart that helps St. Mary's Kids live happier, healthier lives.

Donate

When it comes to providing the very best facilities, technology, and Programs and Services for children and young adults with medically complex conditions, every penny counts. Your donation, regardless of size, will make a huge difference in St. Mary's Kids lives.
